

## PMW SERIES

# Window Unit Air Conditioners ~ Stylish Compact Design

Prem-Air

PMW-12

PMW-18

Remote control

Self contained system

Heat pump enables all year round climate control

Easy to install

### ■ Air Conditioning with Heating

- All in one compact system
- Sliding chassis for easy installation
- Compact design ~ ideal for conservatories
- Fresh air intake
- Remote control with timer
- Motorised louvres
- Washable antibacterial filter
- Operates in temperatures as low as -6°C
- Quiet operation

#### PMW-12 Technical Specifications

- Cooling capacity: 3.52kW
- Heating capacity: 3.07kW
- Energy rating cooling: E
- Energy rating heating: F
- Power: Cool: 1500 W  
Heat: 1320 W
- Voltage: 220-240V ~ 50Hz
- N.W: 46kg (Indoor Unit)
- G.W: 50kg (Indoor Unit)
- Refrigerant: R407C
- Dehumidification Capacity: 27L/day
- Unit Dimensions: H42 x W68 x D62 cm

#### PMW-18 Technical Specifications

- Cooling capacity: 5.27 kW
- Heating capacity: 5.27 kW
- Energy rating cooling: E
- Energy rating heating: D
- Power: Cool: 1920 W  
Heat: 1700 W
- Voltage: 220-240V ~ 50Hz
- N.W: 59 (Indoor Unit)
- G.W: 64 (Indoor Unit)
- Refrigerant: R407C
- Dehumidification Capacity: 39L/day
- Unit Dimensions: H52 x W74 x D74 cm
